# IQ-BAR

## MINI SMART WATER COOLER

IQ-BAR is a countertop water dispenser providing instant filtered, purified, chilled and boiling water at the touch of a button. IQ-BAR replaces your kettle, filters and the need to buy bottled water.

Has an advanced Programmable LCD interface for programming of hot, cold and room temp water temperature from 41 degrees F - 208 degrees F!

Programmable Child Safety, Date Time, Energy Saver/Sleep Time Functions. LCD Screen alerts when UV Lamp or Filters need replacing!

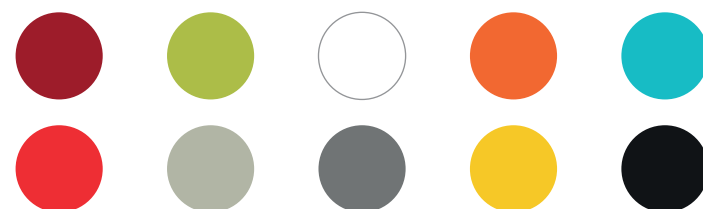

LCD interface with 3 languages:  
English  , Russian  , Hebrew 

IQ-BAR is here. It's the stylish, new countertop water dispenser providing instant filtered, purified, chilled & boiling water at the touch of a button. Say bye bye to the water cooler, bottled water and kettle and hello to the IQ-BAR.

## IQ-BAR

### COLOR OPTIONS:

### MINI SMART WATER COOLER

## IQ-BAR

### FEATURES:

#### Filters

Get rid of the nasties like chlorine, lead, and more with IQ-BAR multi-stage carbon filtration leaving the good minerals behind.

#### Purifies

Have peace of mind that your water is safe and bug free at all times with IQ-BAR unique ultraviolet (UV) purification system.

#### Chills

Love the refreshing clean taste of instant chilled water at the touch of a button on those hot days or anytime you want.

#### Boils

Enjoy super convenience of instant boiling water on tap when you need, no more waiting around for the kettle to boil.
